

Tuition Refund Policy

The Registrar's office has been designated as the official office for drop and withdrawal notification. Refunds are calculated based on the day a student officially drops a class after which a Drop/Withdrawal Form is received by the Student Services Department in the main office of Manhattan Area Technical College. Students who have completed registration in a class and wish to withdraw from a class or classes in which they are enrolled, a completed drop form must be received by the Registrar's Office within the below specified time Period. Students turning in drop forms to the Registrar's Office within the required time period will receive the following refund:

Courses Equal to or Greater than 9 weeks

100% Refund	5 business days of the course start date
50% Refund	10 business days of the course start date

Courses 8 weeks or Less (Including Summer Courses)

100% Refund	2 business days of course start date
50% Refund	4 business days of course start date

No refund will be given after the refund periods. A specific date for the end of the refund period for each semester will be published in the academic calendar for that semester. If MATC exercises its right to cancel a class, a full refund will be issued.

*Important note regarding programs requiring seat deposits, tools, and uniforms: Seat deposits, tools, and uniforms are NOT ELIGIBLE for refund.

Drop/Withdrawal Policy

An official drop/withdrawal is the date a completed Drop/Add or Withdrawal Form is received by the Student Services Department in the main office of Manhattan Area Technical College. A student considering withdrawal should first talk with an MATC advisor or instructor for clarification of options.

If a course is equal to or greater than 9 weeks, a student may officially drop from a course with no transcribed notation of enrollment if the Drop/Add or Withdrawal form is completed and received by the MATC office within 5 business days of the start of the course. If a course is 8 weeks or less, a student may officially drop from a course with no transcribed notation of enrollment if the Drop/Add form is completed and received by the MATC office within 2 business days of the start of the course. A grade of W will appear on the student's transcript if the student officially withdraws from a course prior to 75% of the course being completed for the semester (see the enrollment calendar for exact dates). If 75% of the course has been completed, an earned grade cannot be changed to a W, and the student will receive a transcribed grade based on work completed relevant to the course requirements. Refer to the Tuition Refund Policy in the Financial Obligations section of the catalog for applicable refund dates.
